- Chat support at Swiggy
- Chat support at Samsung

### Tech Mahindra

Feb, 2023 - Mar, 2023

- Chat support at Flipkart
- Gain the knowledge of customer service and outsourcing.

## Projects

### MailBox Client

Jul, 2023 - Jul, 2023

<https://mailclientbox.vercel.app/>

Email app with composing, viewing, and deleting mails. SignUp and SignIn with Firebase authentication and Firebase real-time database for backend.

- Contributed to open-source projects

### Ecommerce Web App

Jul, 2023 - Jul, 2023

<https://ecommercenishant.vercel.app/>

E-commerce React app with product preview, cart management, checkout, and payment functionalities. Utilized Redux Toolkit, React.js, and React Bootstrap. Integrated Firebase for backend and authentication with added page protection for security.

- Quickly adapted to new technologies, effectively integrating them into projects.

### Expense Tracker

Jul, 2023 - Jul, 2023

<http://expense-zeta.vercel.app>

A feature rich React app that helps users to keep track of their expenses. User will be able to retrieve all of his/her data even after a month or year. Added download feature which allows premium users to download their expenses in excel format.

- Implemented smooth animations using CSS and JavaScript to enhance user experience.

### Portfolio

Jul, 2023 - Jul, 2023

[nishantrajput.vercel.app/](https://nishantrajput.vercel.app/)

There are many portfolio website templates available, however, I didn't find one that really suits my needs so I created this one. A simple, easy to configure, lightweight, and responsive static portfolio website template for developers.
